All Electric Fitting Solution

चुने वही जो घर के लिए हो सही

Company Profile

Well Established Firm When you put your trust in **UDAYPLASTIC**, you are enlisting the expertise of an organization that has been exceeding the expectations of customers since its founding in 2011, by **PRADEEP KUMAR**. As an electrical contractor, we offer the peace of mind, confidence, and reliability that come with experience and a commitment to customer satisfaction.

Comprehensive Solutions Provider The service specialists at **UDAYPLASTIC** know what a challenging task it can be to identify and solve even the simplest of electrical concerns. That's why we go out of our way not only to offer comprehensive solutions for all your electrical needs, but to also provide you with the information and resources you need to make educated decisions about which solutions are best for you, and your project.

Performance/Customer Service You deserve the best! **UDAYPLASTIC** believes that quality performance is a result of our ability to understand your specific needs and provide systematic and sustainable solutions to resolve the demands of your project.

Mission

Our mission is to empower electrical systems with products that embody excellence, reliability, and innovation. We aspire to be the foremost choice for contractors, distributors, and end-users by consistently delivering conduit solutions that not only meet but exceed expectations. Embracing technological advancements, our mission extends to being a catalyst for progress in the electrical infrastructure sector. We aim to continually invest in research and development, ensuring our conduit solutions remain at the forefront of efficiency and sustainability.

Vision

Our company's vision revolves around pioneering excellence, sustainability, and global impact in the electrical infrastructure sector

- Industry Leadership
- Cutting-Edge Technology
- Global Presence
- Sustainability
- Customer-Centric Approach
- Innovation Hub
- Employee Empowerment
- Safety Excellence
- Community Engagement
- Continuous Improvement

TECHNICAL FEATURES & BENEFITS :

General Features	
(A) Raw Material	HDPE-K-67 for Conduits & K-57 for accessories
(B) Installation	Smooth finish from inside makes wire pulling easy
(C) Resistance to corrosion	Corrosion free material
Electrical Characteristics (As per IS 9537 Part III & IS 3419)	
(a) Electric Strength	No breakdown observed at 2000V
(b) Insulation Resistance	Min 1000 MD
Mechanical Strength (As per IS 9537 Part III)	
(A) Impact Resistance	No cracks visible
(B) Compression Resistance	Retains the original shape on the removal of the force
(C) Bending Strength	No cracks visible at 180° bending
Thermal Strength (As per IS 9537 Part III & IS 3419)	
(A) Thermal Resistance	-5°C to + 60°C
(B) Resistance to Burning	Flame retardant (Flame die out within 30 Sec)
Environmental Strength (As per IS 3419)	
(A) Resistance to Acid Solution	No deterioration
(B) Resistance to Alkaline Solution	No deterioration
(C) Resistance to Oil	No deterioration

General Terms & Conditions

- The prices are inclusive of Govt. taxes & levies
- Goods dispatched by us are on the purchaser's risk. All claims for the loss, shortages & damages shall be filled by the purchaser directly, disputes if any are subject to thone jurisdiction only.
- MRP mentioned for conduits & accessories is per piece in INR.
- The image that appears in the price list may differ from the actual product.
